

DESCRIPTION

SPLENDID is a floor wax polish formulated from a blend of acrylic polymers and natural waxes, ideal for maintaining floors subject to high levels of foot traffic, like parquet and resilient floors. The product restores the floor to its original uniform shine, covering scratches and marks.

HOW TO USE

Wash the floor thoroughly with a mild, neutral cleaner. If necessary, use a wax stripper to remove old wax layers from the floor. Apply an even coat of product with a wax applicator, mop or soft cloth. Wait about 50 to 60 minutes (as necessary) until the floor is perfectly dry, then apply a second coat. Wait until the floor is perfectly dry before walking on it.

PRECAUTIONS

Protect from frost; do not use the product on unsealed wood or parquet floors.

COVERAGE

Approx. 50/60 square meters per litre.

PACKAGING

Bottle 1 lt. Box 12 pieces.

Bottle 5 lt. Box 4 pieces.

CHEMICAL AND PHYSICAL CHARACTERISTICS

Appearance	Liquid
Colour	White
Odour	Characteristic
Specific gravity	1.000 ± 0.01g/ml
pH	8
Storage life	12 months if stored in its original, unopened container at a temperature of between +10°C and +25°C

ATTENTION

Do not dispose into the environment. As well as following good working practices, before applying the product we recommend you read the safety recommendations which can be found on our website www.federhomecare.it or can be requested from your local dealer, as well as the instructions on the packaging. Do not store at temperatures below 10°C. We decline all liability for work and damage that may arise from the improper or incorrect use of the product. All the information and recommendations about the product and its use are based on extensive laboratory testing and practical experience. However, since it is not possible to anticipate all conditions of use, these indications shall not be binding and do not imply liability on our part. The end user shall be held responsible for the use he/she makes of the product and for testing the characteristics of the product in advance. The reproduction, even partial, of our product sheets is forbidden. The data refer to the standards in force at the time of printing (2013).
